Mrs. Degeer reports that she is using this year's potatoes from her garden, and that they are a good size and very dry.

Miss Olive Burris, of St. James, Minnesota, arrived in Lacombe this week on a visit with relatives here, and will spend a holiday at Gull Lake.

Mr. Norman Morrison, Miss Margaret and Master Jack arrived home from the coast this week. Jack will spend a holiday at home before returning to the college in Vancouver.

The three-day course of lectures held in the Rest Room, the first of this week, under the auspices of the W.I., could scarcely be called a success from the standpoint of attendance, as a mere handful took in the course. The Demonstrator, Mrs. Masson, of Edmonton, handled her subjects of Foods, The Family Budget and Interior Decorating, very ably, and the few women who attended, received many valuable hints and enjoyed very much meeting Mrs. Masson.

A small party of authors en route from the Canadian Authors Convention held in Calgary last week, stopped for a short visit at the farm of Mr. H. A. Kennedy, Author and Journalist, located a few miles N. west of town. Among the guests were the Misses O'Connor, of Halifax; Miss Woods of the Montreal Star; Amelia Johnson, Montreal, Mayor Johnson, and Mrs. Atchison of Edmonton. They were met at the depot by Mayor G. I. Jackson, E. H. Jones, President of the Board of Trade, N. E. Carruthers, Secretary of the Town and J. S. McCormick, Barrister, who escorted them

to various points of interest in the vicinity, among which was the Experimental Station, where Mr. F. H. Reed, Superintendent, conducted the visitors over the Farm explaining the methods of agricultural work, different types of livestock, etc. After an interesting two hours there the party proceeded to the Canadian Junior College about a mile North of town, where they were also given a cordial reception. Upon reaching Mr. Kennedy's Farm, which is under the management of Mr. J. O. Berg, the guests were served with a delicious dinner by Mrs. Berg and her daughter, Mrs. O. Pawcett. After full justice had been done to the sumptuous viands provided, a message of greeting and welcome was given the visitors by Mrs. H. M. Jones of Lacombe, and the hostess, Mrs. Berg, also made a few appropriate remarks. Mr. Kennedy then gave an outline of his farming proclivities, referring in the highest terms to Mr. and Mrs. Berg and their family, who have most capably managed the farm for a number of years. Rev. R. B. Layton, pastor of St. Andrew's United Church, in a cheerful and humorous little speech, made some very complimentary remarks about authors. A delightful visiting being at an end the party returned to Lacombe to take the next train north.

At a special meeting of Lacombe Rebekah Lodge No. 101, officers were installed for the ensuing term as follows: Noble Grand, Mrs. R. Saunders; Vice Grand, Mrs. C. E. Todd; Warden, Mrs. Allin; Conductor, Miss O. Danner; Chaplain, Mrs. W. Fenwick; Supporters Noble Grand, Mrs. U. E. Reeves and Mrs. Stahl; Supporters Vice-Grand, Mrs. Mutch and Miss E. Davie; Secretary, Miss M. Pawcett; Inner Guard, Mrs. F. Mast; Outer Guard, Mrs. T. Ward; Pianist, Miss E. Shaw; Deputy President, Mrs. Kennedy, of Red Deer, was assisted in the installation by D. W. Hambly, and several other officers. At the close lunch was served and a delightful social hour followed.

The Lacombe W. I. members are having their annual picnic at Jack Fish Lake next Wednesday afternoon, July 18th. Come and bring your friends.

THE "RED BIRD" ORCHESTRA AT FERNIE'S ROSE HALL SATURDAY

The Calgary "Red Bird" orchestra will play their first engagement at Fernie's Hall on Saturday. This orchestra comes to Gull Lake highly recommended by Calgary dancers, and Mr. Fernie has been fortunate to secure such an outstanding ensemble. Mr. Bird, clarinetist and musical director of this orchestra, won first prize in clarinet competition at the Calgary Stampede, while the other members are all masters of their instruments. Every man is a thorough musician, and plays several instruments—twelve in all. Rose Hall, is a lovely place to dance, and is deserving of support. The music will be all that can be desired, and you will have a wonderful evening of dancing on Saturday night. Regular dances will be held every Monday, Wednesday and Saturday, and this brilliant orchestra will be in attendance for the entire summer. Dance at Rose Hall, Gull Lake's finest dancing pavilion.

There are over 800 men, women and children holidaying in the village this month.

The picture show in the Gossy Hall was well attended on Friday night, and the picture greatly enjoyed.

Woolliner Bros. report business better than ever this year, and contemplate greatly improving their store property.

Visitors at Gull Lake are warned not to sit in boats while on the beach, as a great amount of damage results from this practice, boats being practically ruined in this way.

A red Sponson canoe, belonging to A. M. Campbell, was stolen from Asp-

on Beach on Tuesday night. Anyone having same is advised to return it, or prosecutions will follow.

The holiday season is now in full swing at Gull Lake. Most of the cottages are occupied, the beach is in better condition than it has been for fifteen years and the roads behind the cottages are being kept in wonderful shape. Everyone looks forward to the best season for many years.

The "Harmonizers" opened the dancing season at Fernie's Hall, Gull Lake on Wednesday, and a large crowd were in attendance. People from the larger cities were loud in their praise of this orchestra and say it is one of the best they have danced to.

We see by the list of awards at the musical competition of the Calgary Stampede and Exhibition that the Red Bird Orchestra was given first place for small orchestras, and in addition, Mr. Bird, a member, was awarded first prize in the open competition for clarinet and first for saxophone, while the old reliable Harold Twiss, well known member of the Len Davis orchestra, took first for drums and traps. This orchestra arrives at Gull Lake today and will take over Fernie's Hall for the season. Mr. Fernie and visitors at the lake are to be congratulated on having such talented artists supply their future music. The first dance will be held Saturday evening.

The needs of the holidayers are well looked after by Messrs. Fernie, Woellner and Sandbrook this year. Visitors can procure everything necessary at one of the stores, while farmers surrounding supply vegetables, etc. Mr. Hugg, as usual is on the milk wagon, and his strict attention to business is greatly appreciated.

AT THE REX

Friday and Saturday
BUSTER KEATON
In "College"

The Boy (Buster Keaton) graduates from high school with interscholastic honors—the ones won by brains. A fond mother has reared him as a small town highbrow. His most strenuous sport has been chess. Chosen as the class orator, he speaks on "Brains vs. Brawn," rapping athletics. Mosebacked pedagogues are partial to Buster; most of the students, however, classify him as a flat-tire. When he goes to college the following autumn, his sweetheart (Ann Cornwall) delivers an ultimatum. That he must become an athlete. So he spends his savings for athletic paraphernalia and tries out for baseball, track—all the teams. He's a perfect flop—the coaches razz him; his rival for the hand of the campus belle hazes him unmercifully.

Buster goes to work to pay his way through school and every job he gets adds to his blunders. His rival takes fiendish delight in maneuvering his girl into places where he is employed, thereby heaping fresh coals upon the fires of the youth's humiliation—but, we can't tell it all here—come and see

it yourself. A great college picture. Monday and Tuesday
"Backstage"

A picture you will enjoy—one of those you will think about for a long time after you see it. A picture taken from life—everyday life. Plenty of action, and enough thrills. A picture that is favorably recommended by all the critics and one you should not miss.

Bentley News

Miss Hattie Ziprick of the Hospital staff left Friday for a 10 day holiday. Mr. Stewart was an Edmonton visitor on Saturday.

Rev. Mr. Howarth and family arrived last week from Manitoba and have taken up residence at the parsonage. Postmaster Hopkins attended the Postmaster's Convention at Calgary last week.

Mrs. J. H. Thompson is spending a short time at Calgary, while the boys are with their Aunt, Mrs. Blake in Red Deer.

Mr. Bars returned last week after a month's absence from his work at the bank. While away he became a benedict, having been married at Knox Presbyterian Church, Calgary, on June 16, to Miss Mary Isabel Carr of New Brunswick, Rev. Dickson, officiating. They are receiving congratulations on the happy event. They are in residence at Brownlow's Landing.

Mr. and Mrs. T. A. Iddings and daughter Bernice and little grandson of Rimbey passed through town on Friday, enroute to Washington, U.S.

The road gang that had been repairing roads near here, moved the latter part of last week to Sylvan Lake.

Mr. Fred Brown and friend, Mr. Stoddard of Los Angeles, Cal., are spending a month with Mr. Brown's uncle, the Damrons. They are en route home from Alaska.

Mrs. Yarwood of Alix, addressed the W.I. of Chapel District, on Monday afternoon, was a guest of Mrs. Geo. Raymond on Tuesday, enroute home.

The Jansen family left on Monday by motor van for Edmonton and from there expect to travel until they find a suitable location.

Mr. and Mrs. Sutton and son, leave today by motor for their new home at Penitence, B.C. We wish them much success.

LINCOLN NEWS

Keep in mind a community picnic to be held at Wilson's Beach, on Friday, July 20th. Bring your basket and enjoy a real old fashioned picnic at the Lake. There will be races for old and young, so bring your family and come along. In the evening there will be a dance in Lincoln Hall. Good music provided. Gentlemen 50c.

A New Car .. A New Car Style .. A New Zenith of Low Priced Car-Luxury and Performance

New slender profile chromium-plated radiator—Long, low bodies.—Generous room for 2 to 5 passengers, according to body model.—Luxurious deep upholstery and appointment detail.—New "Silver-Dome" high-compression engine, for use with any gasoline.—Smooth speed up to 60 and more miles an hour.—Chrysler light-action internal expanding hydraulic four-wheel brakes—no other car of this price possesses this feature.

All Chrysler research, engineering and manufacturing have been inspired by the fundamental motive of giving ever greater quality and value for each dollar of car cost. Public recognition of this principle, in four years advanced Chrysler from 27th to 3rd place in sales in the N. A. C. C.

With a new product—the Plymouth—Chrysler is the first to give, at so low a price, the advantages of performance, riding ease, dependability and full adult size which characterize fine cars of higher price.

The new Chrysler-designed and Chrysler-built Plymouth is so revolutionary an advance over other low-priced cars, it is such conclusive evidence that the past year's strides in the science of manufacturing have multiplied the purchasing power of the

motor car dollar, that you will surely want to see it and drive it.

And above all, you must see its beautiful lines and finish, and stretch at ease in its deep-upholstered, full adult-size bodies, to comprehend how completely the Plymouth surpasses cars heretofore sold under \$900.

The Plymouth is today displayed by every Chrysler dealer. He wants you to see it and to ride in it.

Please submit the Plymouth to this trial. We believe you will discover there has never been a car anywhere near its price that can approach the Plymouth for power, pick-up, smoothness, easy handling, safety, quietness and roominess—nor that can equal it in beauty and style.

BROOKFIELD NEWS

We are sorry to hear that Vernon Gauld had a slight accident, when at the Lacombe Stampede. He knelt on a broken bottle and the doctor had to be called. We hope he will soon be better.

Mr. Hall has been visiting his farm which he has rented to Mr. Mason for a year. He reports everything in good condition.

Mr. C. P. Brock and W. J. Gauld, took their wool to town on Thursday, July 5th. They report very bad roads, on account of the rain.

Mr. L. Kennedy has been round the neighborhood, getting farmers to sign up to the Medicine Valley Co-operative Association, Ltd. Quite a few farmers in the district have joined.

The crops in the district are in ideal condition, on account of the rain, but they will need sunshine soon, to make them head out.

Mr. Jacobsen has his new house well under way. He hopes he will soon move in. The old house has stood for a good many years, and they are glad to see the new house go up.

Mr. J. Low was a visitor at the home of Mrs. C. P. Brock on Monday July 2.

Mr. Bert Hepburn bought a Ford car from Mr. Hall.

Mrs. C. S. Spiers was in Red Deer on Thursday, attending the wedding of Miss Myrtle Bides and Chief Cameron of Red Deer.

FARMERS ATTENTION

You can save shrinkage on your hogs by having them delivered by truck. I am prepared to do this hauling at reasonable prices. Art Dwan, Phone 73.

POLITICAL DISCUSSION

The new Conservative leader, Hon. R. B. Bennett, has been holding a series of meetings in the province of Quebec, and has been hailed everywhere with the plaudits of large audiences. Shortly, the Prime Minister, Rt. Hon. W. L. Mackenzie King will take the stump in the West where, doubtless, he too will receive the acclaim of the great bodies of people. Neither of these political leaders should, however, mistake the natural courtesy and warmheartedness of the Canadian people for a full and complete endorsement of their respective political views. A political leader in Quebec was greeted with hosannas at St. Laurent but crucified at Lachine on Election Day. Meetings may mean much; mostly they mean little.

It is a very good thing though that the leaders of Canada's two great political parties should be going to the people of Canada with their messages. We have too much political oratory at election times and too little of it at other times. The one gives us indignation; the other tends to make us apathetic. The only way to ensure the casting of intelligent votes on Election Day is by preaching intelligent politics all year round, or the years around might be the best way to put it. In the heat of an election, people who are partisans, which most of us are, will not listen to reason and do not want to consider arguments. To do so might lead us to change our minds and none of us wish to change our minds when an election is close upon us. The changing of minds has to be done before an election is announced; it is seldom done afterwards. To enhance political intelligence or mould the opinions of people, the country must be sown knee-deep with persuasive literature, meetings must be held constantly and all parts of the country reached, while the press must preach high ideals of life and citizenship. This work must be done all the time, not only at election time.

It really matters little what political party gains an electoral victory at the polls when the victory won is one based on an appeal to intelligence, reason and true patriotism. The mistake we have made in much of our political fighting in Canada has been to indulge in mud-slinging and to institute abuse for argument. That pleases the bigoted partisans at election times, but it not only cuts no ice with the intelligent voter; it freezes up his interest in politics. That is why the speaking tours of our two political leaders will do good. The Liberal citizens will accompany his Conservative neighbor to hear Mr. Bennett orate, while the Conservative will sit alongside his Liberal friend listening to the honeyed accents of Mr. King. Afterwards they will discuss the problems of the hour calmly and intelligently and remain the best of friends. Which is as it should be and is the very best thing for Canada; which is good politics.

WHERE DOES OUR HERITAGE

Has not the time come for the people of Canada to wake up and ask themselves the question, "What is becoming of our heritage?" Our heritage is Canada. Canada in the practical sense means the potential wealth of Canada which lies in her soil, her vast forests, her mines, her streams. This potential wealth was intended by its Creator, surely, for all of us Canadians, not for a few Canadians only, and certainly not for non-Canadians. It goes without saying that, as the evolution of civilization has resulted in the formation of nations, the land such peoples occupy and live in is their land and for their use and benefit, for all of them and not for a few only, and not for strangers who share no national responsibilities or carry no part of national burdens.

This all being so, and none will dispute its common sense, we may well ask questions as to the whereabouts of our national heritage. A great deal of our soil has been given to the men who undertook to farm it and that was right and proper so to do.

What about the millions of acres given to railway companies? The tillers of the soil have probably proved Canada's greatest asset and its greatest wealth producers, producing our basic wealth. Our forests have been given virtually for nothing to big lumber companies and mammoth corpora-

tions; many of these of course source and ownership. The mineral wealth of the country in like manner is becoming the monopoly of rich corporations and individuals, and too frequently our Flin Flons are handed over to non-Canadian corporations, not only for nothing, but with tax exemptions that make the gathering of huge profits a certainty.

As to our streams, power generated by those streams, which might have been utilized under a better system to light every home and run every piece of farm and other machinery at a nominal charge is now in the hands of "St. James Street," which is but another name for Wall Street, and prices are charged for power generated by the people's rivers that make it a luxury almost out of reach of the people. This is true of every province except Ontario, whose common sense ownership of its hydro-electric system is at once hated by the power-producers and envied by the thoughtful people of other provinces.

Why should this new country go the way of older countries "where wealth accumulates and men decay." In this land of ours we do not need a few extremely rich men, a comfortable middle class, one degree above the poverty line, and the most of us living one week's wages away from poverty. There is plenty of everything for every one of us. Our possessions should not pass into the care and ownership of power lords, lumber kings and mine magnates. They should be developed for all of us and everybody given an opportunity to benefit from his or her part-ownership of our national possessions. It should be deemed the part of statesmanship to organize our potentialities in such manner that the whole of the people would share the national possessions instead of acting, as our present statesmanship does, spending its time dividing up our heritage amongst a few far-seeing, grasping, and soulless individuals and corporations. This is the greatest problem facing Canadian statesmanship to-day and one that the people should insist on being faced not fumbled as now. The people of Canada are tired of paying tribute to their overlords.

THE EDMONTON EXHIBITION

The mammoth Pageant at the Edmonton Exhibition on July 16 to 23, depicting the ever welcome stories of "Mother Goose and Cinderella," will be staged on a grand and lavish scale by a specially selected cast of 650 people with the support of a children's chorus of 250 voices. The tales of Mary, Mary, Quite Contrary; Red Riding Hood; Old King Cole; Little Bo-Peep; Little Boy Blue; Jack Spratt; Simple Simon; Old Mother Hubbard; Alice in Wonderland; Little Miss Muffet; The Old Woman Who Lived in a Shoe, and Cinderella will be presented in a truly fascinating style.

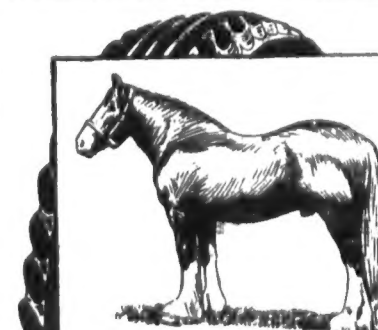

Another stellar attraction on Thursday, July 19th, will be the Alberta Amateur Band Contest. Bands from Coronation, Camrose, Botha, Provost, Luscar, Wetaskiwin, Cold Lake and Halkirk have entered to date and the contest will be judged by Flight Lieut. Amers, leader of H.M. Royal Air Force Band, which will be the leading musical feature of the Exhibition, giving two performances daily in front of the Grand Stand.

The Races this year will offer splendid fields of the fastest runners in Western Canada, in a six day program of races. Platform attractions will include a fine series of vaudeville acts and a scintillating display of fireworks will be given each night, following the conclusion of the Grand Stand performances. Midway attractions will again be in the capable hands of Johnny Jones.

A Horse Shoe Pitching Tournament, starting Tuesday and concluding on Friday, is arousing great enthusiasm and a Big Team Hitch Demonstration on Tuesday and Wednesday mornings, under the capable supervision of E. C. Hallam of Oliver Farm, will be of much interest to all farmers.

A special railway rate of fare and one-third for the round trip will be in force for the period of the Exhibition from all stations in Alberta and Saskatchewan. Free camping space is provided for out-of-town visitors, and particulars in this regard may be obtained from the Exhibition Office in the Arena, Edmonton.

Another Way to Say the Finest of Low Priced Sixes

JUST as the "sterling" imprint on silver identifies the best, so the mark of Fisher on its bodies distinguishes a car from others in its field. When you speak of Pontiac as the lowest-priced six with bodies by Fisher, you are merely finding another way to say—"the finest of low-priced sixes."

For no other six of such low price offers the score of advantages which make the Pontiac Six the value leader of its entire class. Certainly none other offers any major feature comparable to the staunch, smart coachwork that the Fisher emblem represents.

Not only in style and color—not only in roominess and luxury of interiors—but also in sturdiness and quality of construction, Pontiac-Fisher bodies establish a standard never before attained in a six at Pontiac price. Like Pontiac itself, they are noted for ruggedness and long life. Like Pontiac itself they provide every element required for complete satisfaction and for justifiable owner pride.

CHRYSLER

Presents entirely new style creations in the fine car field

New Chrysler "75" Roadster (with rumble seat), \$2010

New Chrysler "65" 4-Door Sedan, \$1460

Features—New Chrysler "75"—New Chrysler-created slender profile radiator—thermostatically controlled integral radiator shutters—new "air-wing" full-crowned fenders—new longer, lower, roomier bodies—upholstered optionally with fine mohair or broadcloth—new arched window silhouette—new "Silver-Dome" high-compression 75 h.p. engine, using any gasoline—7-bearing counterweighted crankshaft—75 and more miles an hour—new longer chassis with new duplex-channel frame—new light-action internal expanding Chrysler hydraulic four-wheel brakes—shock absorbers, front and rear—spring ends anchored in live rubber.

New Chrysler "75" Prices—Royal Sedan, \$1985; 2-passenger Coupe (with rumble seat), \$1985; Roadster (with rumble seat), \$2010; Town Sedan, \$2140 (wire wheels extra). All prices f.o.b. Windsor, Ontario, including standard factory equipment (freight and taxes extra).

THESE two entirely new Chrysler Sixes—the "75" and the "65"—are deliberately designed and executed to inspire public admiration to such a pitch that they will immediately supersede all that has gone before and usher into existence an entirely new motoring vogue.

Striking new standards of beauty have been created in these new Chrysler Sixes, even when the artistry of a great industry has seemed to be at its height.

The wholly new Chrysler style creations, now shown for the first time, represent unusual advances over even Chrysler power, speed and efficiency.

We believe that, at their new low prices, they demonstrate that Chrysler engineering, research and manufacturing again have greatly increased the buying power of the dollar when invested in motor cars.

We are confident that all who are even remotely interested in the progress of motor car artistry will find themselves amply repaid by their immediate inspection of these two new Chrysler style achievements.

Features—New Chrysler "65"—New larger engine—65 h.p.—"Silver-Dome" high-compression head using any gasoline—65 and more miles per hour—counter-weighted 7-bearing crankshaft, only car at or near this price with this costly feature—new, slender profile radiator—new bowl-shaped lamps—beautiful cowl moulding and cowl lamps—new, longer chassis and longer, wider, roomier bodies—new arched window silhouette—new "air-wing" full-crowned fenders—new internal expanding Chrysler hydraulic four-wheel brakes, unaffected by weather conditions—shock absorbers, front and rear—spring ends anchored in live rubber, instead of metal shackles.

New Chrysler "65" Prices—Business Coupe, \$1325; Roadster, \$1350; 2-door Sedan, \$1360; Touring Car, \$1370; 4-door Sedan, \$1460; Coupe (with rumble seat), \$1460. All prices f.o.b. Windsor, Ontario, including standard factory equipment (freight and taxes extra).

A FARMER AGREES

"Dear Sir:—I read with pleasure your reference to the disgraceful state of the Calgary-Edmonton \$2,000,000 highway, where it enters the Town of Lacombe. This place has been in bad repair for a long time, and every farmer from the north and west has experienced great difficulty in getting into Lacombe. I have mired twice this spring, and have stayed home for three weeks on account of this bad piece of road. To be sure the road to the elevators should be made passable, but I think the first concern should be for the main roads. A FARMER. Iowalta, July 10.

LOCKHART

We are sorry to have to report the death of Mr. George Jaffray, on Tuesday, July 3rd. Mr. Jaffray was a returned man, having offered his services to the country in 1916, but was turned down on account of poor health, but in the fall of 1917, he again tried to enlist, and was accepted in the 10th battalion, in which he served for the duration of the war. Mr. Jaffray has been in ill health ever since his return from overseas. He was born in Aberdeen, Scotland, 38 years ago, and was buried in the Rimbey cemetery with full military honors on Wednesday, July 4th. The Great War Veterans had charge of the ceremony. The service was conducted by Mr. Brown, who chose for his text "Greater love hath no man, than he lay down his life for his friends. He leaves five brothers, William, Robert, James, Arthur and Alex. all of Lockhart, and five sisters: Mrs. Kennedy, Bentley; Mrs. Geo. Fernie, Aspen Beach; Mrs. Earl Stephenson, Sylvan Lake; Mrs. Wm. Malcolm and Mrs. Jas. Strachen, both of Lockhart.

The sympathy of the community goes out to his sisters and brothers. Mr. and Mrs. Ebbles and family, who have been visiting their brothers, E. St. J. and Wm. St. J. O'Neil, left for England on Friday.

Mr. and Mrs. Krains took in the Bentley celebration on Wednesday.

The roads have been dragged and are in good shape once more.

Among those who enjoyed the Lacombe Stampede last week were, Mr. and Mrs. Wm. Weise, Mr. and Mrs. Roy Weise, Jim Jaffray, Oren Pike, Louise and Harry Beddoes, Bob Jaffray and family and Mrs. Wm. Jaffray.

Mr. and Mrs. Jim Robson spent Wednesday afternoon and evening with their daughter, Mrs. Chester Rimbey.

The Skeels Bros. have purchased a new Whippet Car.

Mr. Iddings and Miss Emma Gyori, attended the dance at Bentley on July 4th.

The W.I.G.C. are making arrangements for their holidays at Gull Lake. Mrs. Chas. Calkins, Mrs. Geo. Fraser and Mrs. Alex Jaffray will go with the girls.

Mr. Doty and son Wilbur are summer-fallowing on their new farm at Rimbey. Mr. Doty has bought the Dickson place at Rimbey. Mr. Chas. Calkins has sub-leased the Donaldson place from Mr. Doty.

STOUT—BRADLEY

Thursday, July 5th, the marriage of Laura, second daughter of Mr. and Mrs. J. A. Bradley and Archie Stout son of Mr. and Mrs. H. Stout took place at the bride's home. The ceremony as performed by Rev. R. E. S. Hunt, of Stettler, cousin of the bride. The bride as the recipient of many beautiful and useful gifts. The happy couple left amid showers of rice and confetti for Calgary and Banff.

POSTMASTER'S SALARIES

Charges that postmasters continue to be inadequately remunerated, as was claimed by their Alberta association in convention in Calgary last week, constitute a very serious grievance, should they prove to be well founded, to the rectification of which the Canadian public will readily agree. The work of the postmaster and his assistants is an unusually exacting task, which affects every man, woman and child in Canada. Their work is of a particularly exacting nature, and the unflinching accuracy with which it is executed is demonstrated by the implicit confidence with which the Canadian citizen entrusts his mail to the postmaster's care. Suggestions heard at last session of the Dominion Parliament looking toward the increase of postmasters' salaries, it would appear by the discussions of last week's convention, have been partially implemented but at the expense of the larger post offices, only those postmasters who were be-

ing paid less than \$1000 a year reaping the benefit, while the larger post offices actually received less money.

There are a number of directions in which Canadian taxpayers would prefer to see government retrenchment applied, rather than toward postal service. Not only is the postmaster one of the country's most reliable servants but he may safely be credited with being one of the most willing in proportion to his rewards.

CARD OF THANKS

Mr. and Mrs. John Larsen and family desire to thank their friends and neighbors for their assistance and sympathy, also for the beautiful flow-ers so kindly sent in their recent sad bereavement, in the death of daughter and sister, Mrs. M. Austin.

"DO YOU REMEMBER?"

Do you remember 'way back when (Say, thirty, forty years), You never saw your sweetheart's legs, But judged her by her ears? The kids were washed each Saturday night, Their daddy cut their hair, Their suits were made from their uncle's pants, And they wore no underwear. The women padded, but did not paint, Nor smoke, nor drink, nor vote; The men wore boots and little stiff hats, And whiskers like a goat. Not a soul had appendicitis, Nor thought of buying glands; The butcher gave his liver away, But charged you for his hams. You never had a bank account, Your beer gave six per cent, The hired girl got three bucks a week, And twelve bones paid the rent.

At their regular meeting held on Tuesday evening, the Town Council agreed to put before the Rate-payers a By-law disposing of the local electric Lighting Plant to the Mid-West Securities, and in the near future a representative of that Company will address a meeting of the townspeople, when the question will be open for full discussion.

MEADOWBROOK

Mrs. P. Frizzell expected her brother from Oregon this week. Captain Howard accompanied by Will Riley motored to Calgary this week to attend the big Stampede. Owing to the heavy rain of Thursday, the Ladies' Aid was postponed until Friday, 6th at the home of Mrs. Chris. Huseby and final arrangements were made for Meadowbrook's Annual picnic. Following this, the election of officers for the new term were elected as follows—Mrs. J. Spink, President; Miss Mae Morrish, Vice-Pres.; Mrs. P. Frizzell, Secy, and Mrs.

Herbert Long, Treasurer. The next meeting will be held at the home of Mrs. McGeachy, on Aug. 9th. On account of the big flood in Mor-ningside, Rev. Mr. Brett was unable to

fill his appointment at Meadowbrook, last Sunday. Everyone is anxious to get their summerfallowing done, if it would only quit raining.

IT'S A BORN HILL CLIMBER

Just try it!

COME drive this new Oldsmobile yourself. Try it out on the longest, steepest hill you know. You'll be thrilled at the way its smooth, even flow of power carries you on, up and over — without the slightest effort. For its amazing ability to take any hill, or any number of hills, with true, fine-car ease is one of the principal reasons for its tremendous, country-wide success. And this Oldsmobile will pass every performance test you make with the same brilliant record. Its great new 55-h.p. engine provides speed, pick-up, power and stamina to fulfill every motoring desire. And a new cylinder head of General Motors Research design adds all the advantages of high-compression performance, yet does not require the use of special fuels.

Thousands of buyers are choosing the Fine Car of Low Price for its beauty, luxury and style—for its comfort, dependability and handling ease—for its excellence in every performance—and, especially, because it is a born hill-climber.
